

Sauna linassi Premium

The jewel of your garden

Close your eyes and imagine having a sauna in your garden. After a soothing sauna session, cool off under a cold shower, jump into a natural pond or plunge into fresh powder snow in winter. But why only dream? A Linassi Premium outdoor sauna is a wonderful everyday luxury that enriches your outdoor life and creates unforgettable moments.

The sauna is not only a place for you to relax on your own, but also the perfect setting for social gatherings. Whether with friends, colleagues or family, your outdoor sauna will become the centre of special experiences. Turn a simple evening into an event: combine a delicious barbecue with a refreshing sauna experience and enjoy time together in a unique atmosphere.

Moments of well-being

Bring the luxury of a Linassi Premium outdoor sauna into your garden and make your leisure time truly special!

**The Linassi outdoor sauna is available in two variants:
Linassi Left or
Linassi Right window.**

Two colour options

The exterior cladding of the Linassi sauna is made of larch or thermowood ash and is available in either a natural or black finish.

Stylish design

The Linassi Premium features attractive thermowood pine interior cladding and a large front made of clear, tinted L-shaped glass to ensure privacy. The benches are made of alder wood.

High-quality equipment

- Harvia electric heater with an integrated control unit and control via a Wi-Fi app.
- LED lighting inside and outside: High-quality LED lights recessed behind the backrest give the sauna a particularly stylish ambience and can be dimmed. The integrated exterior lighting creates an elegant evening atmosphere and is operated by remote control.

Practical anteroom design

The sauna has an anteroom that is ideal for relaxing and changing. Equipped with a stylish bench, lighting and alder-wood coat hooks, the anteroom becomes a functional and aesthetically pleasing highlight.
