

Sauna linassi Smart

The jewel of your garden

The best things in life are uncomplicated, and the Linassi Smart impresses with its simple, classic look. This highly practical sauna combines clean lines with high-quality materials, bringing style and relaxation into your home. With wooden panels made of linden, alder or thermowood pine, and a choice of clear or bronze-tinted glass, the Smart offers a beautiful selection of wood tones and design options, allowing you to create your perfect sauna.

Moments of well-being

linassi Smart

An uncomplicated sauna, available as an indoor or outdoor sauna.

The sauna's smooth lines and high-quality materials create a subtle yet stylish look.

Harvia touchscreen or Wi-Fi app control for lighting and heating

The Harvia control unit makes operating your sauna's heating and lighting easier than ever before. The control system offers multiple safety features as well as Wi-Fi connectivity to the online app.

LED interior lighting

LED strips behind the backrest give this stylish sauna a touch of luxurious glow. The lighting can be dimmed or brightened as desired.

2 sauna variants: Linassi Smart - outdoor or indoor version

Outdoor version

The exterior cladding is made of larch or thermowood ash and is available in either a natural or black finish.

Indoor version

The sauna is available with wooden panels made of linden, alder or thermowood ash.
